Message from CEO

Haere mai, welcome

Welcome to the Southern Institute of Technology (SIT), one of New Zealand's largest government institutes of technology, and home to the 26 Week Zero Fees English Scholarships.

SIT is here to help you achieve your academic and career goals.

By choosing SIT, you will get the best of both worlds. Not only will you gain a challenging academic education, you will also gain real-world experience thanks to our strong links with industry and employers.

We combine the best of tradition with cutting-edge technology. With a history dating back to the 1880s, SIT has a proud record of quality education and training. We have also gained a reputation for innovation, developing New Zealand leading qualifications, facilities and opportunities for students.

With over 13,000 students and 200 programmes, SIT is large enough to offer you variety and a student culture, yet small enough to retain a friendly atmosphere and personalised learning with small class sizes.

Combined with your education, we will help you achieve your academic and career goals – whatever they may be.

I hope to see you on campus soon!

Penny Simmonds

Chief Executive Officer

Kia Ora, Hello!

On behalf of the City of Invercargill, welcome to the Southern Institute of Technology, New Zealand.

SIT is the pride of Southland. As a government tertiary institution; it is committed to quality education and I encourage you to make SIT your choice for higher education. SIT provides a dynamic, innovative and friendly environment for domestic and international students alike.

While studying with us, you will be able to enjoy Southland, New Zealand's most picturesque region. We live in a region full of adventure and recreational opportunities through to extreme sports challenges. Not only will you be able to gain a world class education with SIT, you will be able to do so in the world class environment of Southland.

Invercargill has excellent sporting facilities such as the SIT Zero Fees Velodrome, New Zealand's first indoor cycling velodrome, an olympic sized swimming pool and a major indoor stadium. My council also helps to sponsor a wide range of events for recreation and entertainment.

You will also be able to enjoy our southern hospitality. Invercargill is a safe community that welcomes students from all over the world. It's also a great place if you are considering living and working in New Zealand. Southland's unemployment rate is one of the lowest in the country. As a result, we actively seek skilled migrants to join our community.

So make the smart choice: choose SIT and Southland. I look forward to meeting you in Invercargill soon.

Mayor Tim Shadbolt

Mayor of the City of Invercargill

INVERCARGILL AND SOUTHLAND

Southland – a genuine Kiwi experience! Southland is New Zealand's southern most province and is a region of rich natural contrasts, beauty and wildlife, boasting quality tourist destinations.

The population of Southland numbers around 100,000 people who have an international reputation for being incredibly hospitable to visitors coming to the region.

Primarily an agricultural economy, Southland has gained a top reputation nationwide as a region for producing innovative, high quality, tertiary education programmes.

Invercargill, the capital city of Southland, has a population of 55,000. It is big enough to cater for your lifestyle needs, yet small enough to provide a stable and friendly atmosphere in which to focus on your study.

Invercargill is situated on the southern coast of New Zealand. The commercial heart of Southland, it is a flat, spacious place, where it is easy to find your way around and enjoy a variety of shops, restaurants and cafes. Accommodation and living costs are considerably lower than in other major cities in New Zealand. There is a progressive increase in the number of students and tourists coming from China, India, Korea, Indonesia, Nepal, Russia, Philippines, Sri Lanka and Brazil.

Invercargill is the gateway to popular tourist destinations such as Queenstown, Stewart Island and Catlins, which are all within driving distance for a good day out and a return trip before evening. Few regions in New Zealand can better the diversity of mountains, lakes and fiords, historic gold mining towns and lush countryside that Southland has to offer.

SOUTHERN INSTITUTE OF TECHNOLOGY A QUALITY CHOICE

SIT is a New Zealand government
institute of technology renowned
for its innovation

The Southern Institute of Technology (SIT) is an innovative and forward thinking institute of technology offering cutting-edge qualifications. Thanks to our modern facilities, qualified staff, and strong links to industry, we prepare graduates for success in New Zealand and around the world.

Quality Assured

SIT holds quality assured status from the New Zealand Qualifications Authority (NZQA). Continuing self assessment processes and external evaluation and reviews conducted by NZQA mean that all our programmes are guaranteed to be of the highest quality.

Accredited and Approved

SIT's programmes are accredited and approved by NZQA from certificate up to master degree level. We have over 200 programmes across a wide range of subject areas. Our programmes range from short courses, certificates, diplomas, undergraduate degrees and postgraduate qualifications, up to masters degrees.

Code of practice compliant

SIT is signatory to the Education (Pastoral Care of International Students) Code of Practice 2016. The SIT international team and key staff across the institute are all trained in the Code of Practice regulations.

An International Education

Study at SIT and you will gain a global education. SIT's qualifications are internationally acclaimed and offered across New Zealand and the world. Many of our programmes link to higher level qualifications at SIT and other institutions in New Zealand and beyond.

SIT has many global partnerships, including United States, India, Sri Lanka, China, Germany, Australia, Japan, Indonesia and more. We are constantly developing our qualifications and relationships to ensure our graduates have maximum mobility. SIT is a member of the International Association of Universities (IAU).

SIT's staff are diverse with an eighth of our staff hailing from over a dozen different countries, such as Australia, China, England, Germany, India, Ireland, Malaysia, Scotland, Singapore, South Africa, Sri Lanka, the United States of America, Wales, Zimbabwe, Canada and South America.

OUR CAMPUSES

INVERCARGILL, QUEENSTOWN,
CHRISTCHURCH & AUCKLAND.

INVERCARGILL CAMPUS

SIT's main campus is located at 133 Tay Street, Invercargill. On campus facilities include a student gym, bookshop and cafe, and support services such as a health nurse, counsellor, chaplain, learning assistance centre, disability liaison, lwi liaison and Pacific Island liaison.

The 'Downtown' campus is located on Don Street and it is very much a creative zone, housing our Art, Design, Photography, Film, Animation, Music, Audio, and Fashion students. These areas work closely together, often collaborating for live performances, exhibitions and filming opportunities during the year.

One of the greatest things about Invercargill is the relatively low cost of living. If you're intending to go flatting, you can expect to find a good, warm house for \$100 – \$150 per room, per week (plus expenses).

Invercargill's world-class sporting facilities include NZ's only indoor cycling velodrome (SIT Zerofees Velodrome), brand new water-based hockey turfs on par with the Beijing Olympics, an Olympic-size swimming pool and a huge indoor stadium.

As well as having numerous beautiful parks and gardens within the city, Invercargill is the gateway to some of New Zealand's most beautiful scenery and destinations including the Southland heartland, Stewart Island, Fiordland, the Catlins and Central Otago.

QUEENSTOWN CAMPUS

SIT's Queenstown campus provides an unique opportunity to study in New Zealand's world-famous adventure tourism capital. Advance your career in hospitality, tourism, business or information technology while enjoying the superb Queenstown lifestyle.

SIT's expanding Queenstown Campus (established 2009) is conveniently located in the Remarkables Park Town Centre at Frankton, with the spectacular backdrop of the Remarkables mountain ranges. Our modern facilities provide an exceptional teaching environment; new purpose built spaces, magnificent views, ample parking and is easily accessible by public transport.

Our programmes link strongly with local industry, providing a number of opportunities to engage with employers and industry experts. Our academic staff are drawn from industry, with most still working in their fields, helping bring real life experineces to the classroom.

With countless hotels, resorts and luxury retreats in and around Queenstown - not to mention a host of adventure and hospitality businesses - there are a number of employment options for students.

SUBJECTS & QUALIFICATIONS OFFERED AT THE QUEENSTOWN CAMPUS

SIT Queenstown brings you the opportunity to enjoy the adventurous Queenstown lifestyle, whilst studying towards an industry recognised qualification.

English Language

As a fully owned subsidiary of SIT, the Southern Lakes English College (SLEC) partners with SIT to offer the Zero Fees English (ZFE) Scholarships (*Conditions apply*), to international students studying in Queenstown.

This partnership provides an opportunity for students to undertake up to 26 weeks of free English, preparing the student for their mainstream course of study at the SIT Queenstown campus. SLEC delivers the General English plus Examination Preparation (Training Scheme) and NZQA approved English proficiency assessments. As the students will be SIT students, they will receive the full range of benefits offered by SIT including free airport pickup; two weeks free accommodation (when they first arrive in Queenstown), academic support, pastoral support and so much more.

CHRISTCHURCH CAMPUS

SIT Christchurch is a small friendly campus that offers you specialised training in a number of areas including; carpentry, automotive, electrical, collision repair, refrigeration, project management and mental health. This campus is focused on providing skilled trades and technically qualified graduates to assist with the Christchurch rebuild, focusing mostly on entry level qualifications taken up by domestic students.

Unfortunately International Students have limited study options at our Christchurch campus.

DECLARATION

I declare that all the information provided by me on and with this application form is correct and complete. I understand that SIT reserves the right to vary or reverse any decision regarding admission made on the basis of incorrect or incomplete information provided by me.

I authorise SIT to obtain official records and related information to my application for enrolment from any educational institution that I have previously attended and from any applicable authority such as the New Zealand Qualifications Authority. I authorise SIT and New Zealand government agencies, including Immigration New Zealand, to supply information about me to each other if it is considered to be relevant to my immigration status and/or my enrolment status.

I authorise SIT to release academic records or information related to my health and safety to my parents, education agency or other organisation should SIT consider that it is necessary to do so for my wellbeing or educational benefit.

I agree to abide by all SIT regulations and policies as may be amended from time to time. I have read, understood and accept SIT's Refund Policy for International Students and Privacy Statement available at www.sit.ac.nz. I am aware of the geographical location of the SIT campus in New Zealand at which my programme is offered.

ESSENTIAL INFO

Accident Insurance

The Accident Compensation Corporation (ACC) provides accident insurance for all New Zealand citizens, residents, and temporary visitors to New Zealand, but you may still be liable for other medical and related costs. Further information can be viewed on the ACC website at www.acc.co.nz.

Code of Practice

SIT has agreed to observe and be bound by the Education (Pastoral Care of International Students) Code of Practice 2016. Copies of the Code are available from the New Zealand Qualification Authority website at <http://www.nzqa.govt.nz/providers-partners/education-code-of-practice/>

Eligibility for Health Services

Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details or entitlements to publicly funded health services are available through the Ministry of Health, and can be viewed on their website at www.moh.govt.nz.

Medical and Travel Insurance

International students (including group students) must have appropriate and current medical and travel insurance while in New Zealand. SIT automatically organises insurance for mainstream students through the resource fee. SIT can also organise insurance for English language students and students on exchange programmes.

Visas and Immigration

Full details of immigration requirements, advice on rights to employment in New Zealand while studying, and reporting requirements are available from Immigration New Zealand, and can be viewed on their website at www.immigration.govt.nz.

Refunds

It is important that you read SIT's Refund Policy, available at www.sit.ac.nz. Each request for refund is decided on its individual merits and there is no automatic right to a refund of fees if you change your mind about studying at SIT.

Disclaimer

While the information provided in this document was true and correct at the time of publication, SIT reserves the right to alter or discontinue programmes, procedures, fees and regulations at any given time without notice. Students should carefully read all official correspondence and other sources of information for students, such as our website, to be aware of changes to the information contained in this document.

CHECKLIST

I have:

- ☐ Completed all sections of this application form
- ☐ Attached a certified copy of my passport ID page or birth certificate
- ☐ Attached a certified copy of my IELTS or TOEFL test result (if a test was taken)
- ☐ Attached a certified copy of academic transcripts and completion certificates listed on this form (in original language and an English translation if appropriate)
- ☐ Attached any other documents required by my programme (eg. portfolio for digital media and design programmes, statement of purpose for specified programmes)

Send your completed application to:
